

# SCHOOL GARDEN COORDINATOR CERTIFICATE TRAINING

**Who:** Individuals wanting to gain skills to assist schools/youth organizations in establishing quality, long-lasting edible garden-based education programs.

**What:** 35 hours of hands-on certificate training taught by community experts.

The training covers:

- community organizing
- garden infrastructure
- teaching garden-based activities
- adding garden grown produce to school meals
- resource development
- program evaluation and sustainability and more!
- optional program on Portland Public Schools school garden policies
- Available: 3 PSU continuing education credits from the Graduate School of Education

**When:** Five full days

**How:** Contact Caitlin Blethen, Youth Grow Manager at (503) 284-8420 or Caitlin@growing-gardens.org for more information and to receive an application.

**Cost:** \$315. Optional 3 PSU Continuing Education Credits available for additional tuition

*"This training exceeded my expectations. I'll recommend that someone from our school attend it every year"*

*"This whole training was incredibly valuable, the format was perfect for where I'm at (very beginning), but I think it was great for people further along as well"*

Help transform a school yard from this..

..into this!

*planting seeds for good food, healthy people and strong communities...we help people GRDW!*
